**PALIGHT®**  
 TRIMBOARD

**CORNERS, POSTWRAP™  
 & TRIM ACCESSORIES**

**SAVE TIME  
 SAVE LABOR  
 REDUCE DAMAGES**

## POSTWRAP™ & TRIM ACCESSORIES

Palight PostWraps are flat packed and protected to keep them clean until you're ready. The proven interlocking design makes every installation a one-person job. Matching decorative trim kits (bead mould, base cap, crown mould) are available for all sizes of PostWraps.

## PALIGHT CORNERS

Palight Corners are designed with appearance in mind. Standard corners are available in 5/4" x 4" and 6" and are ideal for fiber cement board applications. Corners with J-channels and nailing fins are available in two sizes: 3 1/2" and 5 1/2". The 5 1/2" size is also available with no J-channel and hinged nailing fins.

## PAINTING

Because Palight doesn't absorb moisture, paints last 4-5 times longer than it does on wood. Just wipe with a cloth to remove dust, and start painting! Always use a "siding safe" paint with a Light Reflectance Value of 55 or higher.

## POSTWRAP™ Trim Kit Accessories
